Barron K. Henley

Affinity Consulting Group, *Columbus, OH*

Barron's technology-related seminars are among our most popular—and with good reason. A nationally recognized speaker with expertise in law practice management, document automation, and ethics, he is a founding partner of Affinity Consulting Group, a legal technology consulting firm.

Technology Solutions for Law Office Security, Communications, and Documents

02/13/25 | Livestream | 1:30pm-4:50pm
On-Demand Seminar Available 03/06/25

CLE: 3 | MCJE: 3 | Level: Basic/Intermediate

Learn to use the latest tech to properly secure client data, avoid client communication breakdowns, and protect electronic files.

Cover the basics of computer, smartphone, tablet, email, wireless, and document encryption. Master the fundamentals of backing up electronic data. Improve your productivity, lower your malpractice risk, and have happier clients.

You will be able to:

- Effectively track changes in documents and identify those made by others
- Avoid disclosing your metadata
- Encrypt emails to ensure only intended recipients can view them
- Know when to use word processor files versus PDFs
- Add comments and annotations to Word documents or PDFs
